

System "Self-adhesive laying"

For the fast laying of vinyl design flooring (LVT) without additional adhesive

Brief description:

With self-adhesive flooring installation, the flooring is easily laid on the clean and even substrate - without additional adhesive. This system is therefore ideal when design flooring needs to be laid fast and reliably.

System benefits:

- Fast, without extra adhesive
- Easy to lay
- Can be walked on and loaded immediately

Worksteps	Products
Bonding agent	<p>① R 766 Multi-purpose primer for absorbent and impervious substrates</p>
